Fastener Week Video: The CAMO EdgeClip

Fastener Week III shines a light on products driving industry innovation.

BY [HBSDEALER STAFF](#)

June 21, 2019

Fastener Week is back. HBSDealer kicks off the week-long celebration of fasteners with this educational feature on the CAMO EdgeClip and EdgeXClip – products of [National Nail](#). The pitch: These clips reduce deck installation times by more than half. The EdgeClip is designed for a 90-degree decking pattern, and the EdgeXClip is for any angled decking pattern.

Watch the [video](#) for details – and watch this space for more Fastener Week III videos.
