ASHLAND — Otis Nelson of Modern Roofing & Siding in Ashland is the Grand Prize winner at National Nail's CAMO Screw Off! held at the Northeastern Retail Lumber Association LBM Expo in Providence, Rhode Island, on Feb. 14, 2018. Representing his dealer S.W. Collins Co. in Presque Isle, where he first qualified, Nelson beat out 28 other competitors in the action-packed deck fastening event to win a 2017 Harley-Davidson® motorcycle. There were 42 contractors who qualified from local lumberyard events this past spring and summer.

"The CAMO Screw Off was an exciting event, starting at my lumber dealer SW Collins all the way to finals here in Rhode Island," said Nelson. "It was a great way to learn more about CAMO's deck fastening products. I can't wait to take a cruise on the new bike!"

During the event, finalists faced off in a series of speed competitions with the winner moving onto the next round. The "Elite 8" then battled down to two finalists with Nelson taking first place with a winning time of 41.5 seconds. The other finalists were awarded cash prizes.

"We couldn't have planned a more successful event," said W. Scott Baker, CEO, National Nail. "The competition was intense—everyone came to win, with many of the contractors practicing for months. We congratulate Otis Nelson who gets to drive home a new Harley-Davidson® motorcycle."
