The National Association of Home Builders has named the winning products in its seventh annual Best of IBS Awards, which recognizes exhibitors at the International Builders Show (IBS) for products or lines that exhibit the best combination of design, functionality, innovation, and usefulness to buyers. The awards were presented on the final day of the show at the Las Vegas Convention Center in Las Vegas, Nevada.

The Best of IBS Awards received over 300 entries this year. Winning products were chosen across nine categories, plus an overall Best in Show, by a panel of 31 independent judges.

The 2019 Best of IBS award winners are:

- **Best Outdoor Living Product:** CAMO DRIVE by CAMO Fasteners and The Soho by Hampstead

Visit buildersshow.com/bestofibs for more information on the awards and winning products.
