## **CAMO'S New Stand Up Drive™ Tool Wins Best Outdoor Living Product at the International Builders Show's 2019 Best of IBS Awards**

### ***CAMO Drive™ Speeds Decking Installations by Up to 5X***

Grand Rapids, MI – National Nail's CAMO® brand scored a huge win as the 2019 Best of IBS Awards' Best Outdoor Living Product and attracted continuous large crowds at the International Builders Show (IBS) in Las Vegas last week. Debuting its new CAMO® Drive™ collated, stand-up tool, the speed, versatility and affordability wowed contractor crowds, as the system was demo'd every 15 minutes at the IBS booth.

The Best of IBS Awards received more than 300 entries in nine categories, judged by 31 industry and media judges. The criteria included innovation, functionality and user-friendly design.

"We are thrilled to have won Best Outdoor Living Product chosen from among a high level of industry innovators at the IBS Show," says W. Scott Baker, President/CEO. "Contractors saw the numerous benefits of the CAMO Drive tool in action and the response has been overwhelmingly positive—it further validates that CAMO Drive as well as our new EdgeClips represent the next generation of deck fastening."

Engineered with insights from decking pros, the CAMO Drive tool was designed to overcome key challenges faced by today's professional deck builder with these benefits:

- Installation speeds up to 5X faster than current methods.
- Easy deck board installation attaching to the contractor's own drill.
- Versatility with three end attachments that face fasten, edge fasten with CAMO's proprietary Edge Screws or installs the new, revolutionary CAMO EdgeClip™; EdgeClip is for grooved boards of any decking material which also debuted at the show.
- Affordability – CAMO Drive's MSRP is \$169
- Ergonomic – gets contractors off their knee in a standing, comfortable position.
